

A Prayer for Pride Month

Creator God,
You who fashion Your creation with particularity,
with intention, with glory,
bring each of Your children fully to life
just as You made them to be --
crafted in Your divine and perfect likeness;
bestowed with Your divine spark;
sustained with Your divine lifeline;
imbued with Your divine dignity.

May all Your offspring know You
as source, as truth, as eternal hope.
Draw near, Creator God;
the world doesn't know the pain it inflicts.
Come close to heal, to shelter and to reignite
Yourself within Your children,
that the world may know You as You are.

Amen.

"Be who God made you to be and you will set the world on fire."
